

Sponsorship Opportunities

With continued downsizing of government agencies more onus is being placed on conservation organizations to initiate, manage and fund wildlife and habitat enhancement programs. WSFA is committed to being included and involved in programs that work toward the goals and mission of WSFA.

This is where you and your business can play an important role in the success of WSFA and wildlife conservation in Alberta. There are several opportunities to contribute to this goal. Cash and/or merchandise donations help support our annual fundraising banquet in March. If you or your corporation is interested in assisting in funding of a particular project we have and continue to work as funding coordinators for such programs, please let us know. Individuals and/or corporations will be recognized for their contributions through media releases, newsletter and website articles, project signing and public awareness and education presentations.

We are asking that you please take the time to review the portfolio on our website, and consider working with us in supporting wildlife conservation in Alberta.

On behalf of the Directors and Members of WSFA, we would like to thank you for your time and consideration. Please contact us at the address below.

“Together we can Ensure the Future of Wildlife”

WSFA is a Registered Charity for income tax purposes.
